

HIHWNMS NOAA Fisheries Permit #782-1438

SPLASH CONTRIBUTORS

A Comprehensive Study of North Pacific Humpback Whales

Structure of Populations, Levels of Abundance and Status of Humpback Whales

SPLASH is an international cooperative effort to understand the population structure of humpback whales across the North Pacific, and to assess the status, trends and potential human impacts to this population. The project has broad international and national participation. The following sheet contains information on the agencies that are contributing to the research project.

Steering Committee

Jay Barlow, Head, Coastal Marine Mammal Program, Southwest Fisheries Science Center, NOAA Fisheries

Alexander Burdin, Visiting Scientist, Alaska Sea Life Center

John Calambokidis, Research Biologist, Cascadia Research Collective

John Ford, Director, Marine Mammal Group, Department of Fisheries and Oceans, Nanaimo BC

Chris Gabriele, Biologist, Glacier Bay National Park, National Park Service

Rick LeDuc, Research Biologist, Southwest Fisheries Science Center, NOAA Fisheries

David Mattila, Science and Rescue Coordinator, Hawaiian Islands Humpback Whale National Marine Sanctuary, NOAA National Marine Sanctuary Program

Terry Quinn, Professor, Juneau Center, School of Fisheries and Ocean Sciences, University of Alaska, Fairbanks

Lorenzo Rojas Bracho, Coordinador, Programa Nacional de Mamíferos Marinos, Instituto Nacional de Ecología, Ensenada, Baja California, Mexico

Jan Straley, Assistant Professor, University of Alaska, Sitka

Jorge Urban, Professor, Universidad Autónoma de Baja California Sur

Paul Wade, Head, Cetacean Assessment and Ecology Program, National Marine Mammal Laboratory, NOAA Fisheries

David Weller, Visiting Research Scientist, Southwest Fisheries Science Center, NOAA Fisheries

Kate Wynne, Research Associate Professor, University of Alaska, Fairbanks

Manami Yamaguchi, Research Biologist, Ogasawara Marine Centre, Japan

Funders

National Fish and Wildlife Foundation

Southwest Fisheries Science Center, NOAA Fisheries

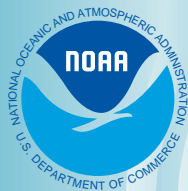

National Marine Mammal Laboratory, NOAA Fisheries

National Marine Sanctuary Program, National Ocean Service, NOAA

National Park Service

Marine Mammal Commission

World Wildlife Fund, U.S.
